

# DISCOVER 100 POLITICALLY CORRECT WORDS AND PHRASES

August 12 2017

David Furness

## A list of 100 politically correct words and phrases

<https://bnp.org.uk/politically-correct-words/>

**The Mainstream Media (MSM) habit of using politically correct words and phrases is an attempt to control the way people think.**

- |                              |   |

**Agree or disagree:**

- By selecting certain adjectives and using other literary tools, the author manipulates the reader.
- Journalists insist on putting their own ‘spin’ on the story.
- Political correctness is used as a form of mind control.
- Britons have been gagged by political correctness.
- Newspeak is a form of English that is controlled by the state to corrupt happiness and free thought.
- The control of language is an essential policy in the establishment of a totalitarian society.
